COIL Tribute Abend

Bob Humid und Asi-mmet-ric Productions unc. präsentieren einen Abend voller COIL und side projects

Musick to Play in the Dark : Bob Humid und Asi-mmet-ric Productions unc. präsentieren einen Abend voller COIL und side-projects Willkommen to the Esoteric Underground. Wir widmen diesen Abend dem klanglichen Erbe von Coil – einer der einflussreichsten und rätselhaftesten Formationen der experimentellen Musikgeschichte – sowie ihren Weggefährten und musikalischen Verwandten. Eine Reise durch Deep Listening, Industrial-Rituale und hypnotische Elektronik, mit:- Coil: Von den frühen Industrial-Wurzeln bis zu den mondsüchtigen Klängen von Musick to Play in the Dark.- The Industrial records Family: Musik von Psychic TV, Throbbing Gristle und Chris & Cosey.- Related Bands: Nurse With Wound, Current 93, Einstürzende Neubauten und zeitgenössischen Acts, die

das Erbe des Post-Industrial weitertragenÜber Coil: „The Darker the Night, the Brighter the Stars“Gegründet 1982 von John Balance und Peter „Sleazy“ Christopherson (ehemals Throbbing Gristle), waren Coil weit mehr als eine Band. Sie waren Alchemisten des Klangs. Ihr Werk bewegt sich zwischen extremem Industrial, neoklassischen Elementen, Acid House und okkulten Ambient-Landschaften.Sie verwandelten Chaos in Poesie und machten das Unsichtbare hörbar. Ihr Einfluss auf die elektronische Musik und die Gothic/Industrial-Subkultur ist bis heute riesig.„Persistence is the all. Work is the all. Love is the all.“

Samstag, 07. Mär 18:00 VERNISSAGE

Vernissage Tama Gonos Malerei

Tama Gonos Malerei bewegt sich im Spannungsfeld von künstlerischer Exploration und Improvisation.

Ich mache keine Skizzen. Ich reagiere auf mein Umfeld und meine Wahrnehmung und nutze diese Impulse als Katalysatoren.“ Tama Gonos Malerei oszilliert im Spannungsfeld von Abstraktion und Figuration, von künstlerischer Exploration und Improvisation. Die Formen und Figuren bleiben verwandt mit den Farben und Gesten aus denen heraus sie entstehen. Hierbei werden die Themenfelder Sexualität, Gender und Gemeinschaft erforscht. Die Bilder haben dabei einen luziden Charakter wodurch sie sich einer vollständigen Fixierung verweigern

Sonntag, 29. Mär 16:00 SPEED DATING

Sync Up

A FLINTA only speed dating event.*

SYNC UP! by Pagu Collective Sync Up! is not your typical speed dating night.

It's a curated connection space for FLINTA* people who want to meet beyond algorithms, beyond swipes, and

beyond expectations.

This is an evening designed for meaningful 1:1 conversations — whether you're looking for friendship, creative collaborators, queer community, sport buddies, project partners, or yes, maybe romance too. All connection types are welcome here.

What is Sync Up?

Sync Up! is a structured connection event where participants rotate through short, intentional conversations in a safe and welcoming environment. You'll meet several people throughout the evening in timed rounds, giving everyone the chance to connect without pressure.

This is not about performing.

It's not about impressing.

It's about showing up as you are.

What makes Sync Up different?

- It's not only romantic.
- It's multilingual and welcoming to international participants.
- It's community-driven and rooted in care.
- It centers FLINTA* safety and visibility.

We believe connection is a form of resistance.

We believe queer joy deserves structure and intention.

We believe community grows when we create the right conditions.

Who is it for?

For FLINTA* people who are new in the city.

For those who want to expand their circle.

For creatives, activists, introverts, extroverts.

For people who are tired of apps but still want to connect.

For anyone who believes that meeting in real life still matters.

What to expect A welcoming atmosphere.

Clear house rules and awareness guidelines.

Short, dynamic conversations.

Music and lounge time after the rounds to continue chatting freely.

A night full of possibility.

Whether you leave with one new friend, a creative partner, a date, or just a good story — Sync Up! is about creating space for something real to happen.

Because community doesn't build itself.

We build it. Together. [Link for registration](#)
