Mittwoch, 23. Sep 20:00 KONZERT

Wraaang

Wraaang is Manuel Serrano's solo project. He hails from Puente Genil, the geographical centre of Andalusia and a town with a long tradition of olive cultivation. His musical project was born out of a need, in the face of leaving. A need to hold on to his roots in a place that now exists only in memories. He sets longing to music and tells a story he has not lived, but which he might have lived. He sets the sunsets amongst the olive trees to music, the stifling heat, and the cicadas you hear in the background during a siesta on an impossible summer's day.

Guitars, loops and percussion take centre stage in his compositions, where hints of flamenco, psychedelia and ambient music can be sensed. @wraaangsolo <https://wraaang.bandcamp.com/album/bigote-de-leche>
